<p>1 Deposition Exhibit 1309. And in particular, I would 2:39PM 2 like to draw your attention to the page that ends in 3 123. 4 A Just a second. It's a pretty big file and I 5 have to download it. 2:39PM 6 Q It's Page 29 of the PDF if that helps you. 7 A Page 29. Okay. 8 Q Do you see on this page a changelog for 9 YouTube Remote? 10 A Yes. 2:40PM 11 Q Does that changelog look accurate to you? 12 MR. HEFAZI: Sorry, Sean. Could you 13 remind me what deposition exhibit we're on? Because 14 1309 is something different for me, so I don't know 15 if I have the right one. 2:40PM 16 MR. SULLIVAN: It's Exhibit 1309. 17 MR. HEFAZI: Okay. Is there a particular 18 page? 19 MR. SULLIVAN: Yes. I said it's the page 20 ending in 123 on the Bates numbers and it's Page 29 2:40PM 21 of the PDF, Nima. 22 MR. HEFAZI: Okay. Appreciate that. 23 MR. SULLIVAN: No problem. 24 THE WITNESS: Yes, it seems like it lists 25 some of the updates to the YouTube Remote app. 2:40PM Page 26</p>	<p>1 Q So do you know what version of the MDx 2:42PM 2 protocol was used by the YouTube Remote application 3 Version 3.0.1? 4 A No, not from this change order. 5 Q Do you recall if Version 2 of the MDx 2:43PM 6 protocol was available for use in January of 2012? 7 MR. HEFAZI: Objection, form. 8 THE WITNESS: No, I don't recall exactly 9 which version was used to launch the MDx Version 2 10 protocol. 2:43PM 11 BY MR. SULLIVAN: 12 Q Now, Version 3 of the YouTube Remote 13 application, that would not have used Version 3 of 14 the MDx protocol, would it? 15 A I don't know if it used Version 1 or 2:44PM 16 Version 2 of the MDx protocol. 17 Q But it didn't -- 18 A I would -- no, I don't know. I would have 19 to look in the code history. 20 Q Okay. Well, so Version 3 of the -- 2:44PM 21 according to this changelog, Version 3 of the 22 YouTube Remote application is dated January of 2012. 23 Do you see that? 24 A Yes. 25 Q I believe you testified earlier that 2:44PM Page 28</p>
<p>1 BY MR. SULLIVAN: 2:40PM 2 Q Does the timing for those updates look 3 accurate to you? 4 A Yes, they look to be in the same time range. 5 Q Do any of these -- 2:41PM 6 A I'm sorry, correct time range. 7 Q For all of the versions of the YouTube 8 Remote application identified in this changelog, did 9 they use Version 1 of the MDx protocol? 10 MR. HEFAZI: Objection, form. 2:41PM 11 THE WITNESS: I'm not sure any one of 12 these versions used Version 1 of the MDx protocol. 13 BY MR. SULLIVAN: 14 Q Well, you started development work on the 15 MDx protocol in September of 2011; correct? I'm 2:42PM 16 sorry, strike that. 17 You started development work on Version 2 18 of the MDx protocol in September of 2011; correct? 19 A Yes. 20 Q So that would mean that all of the 2:42PM 21 versions from November 2010 through August of 2011 22 for the YouTube Remote application would have had to 23 have used Version 1 of the MDx protocol; isn't that 24 right? 25 A Yes. 2:42PM Page 27</p>	<p>1 Version 3 of the MDx protocol, the development work 2:44PM 2 for that didn't begin until January of 2014; right? 3 A I think we're talking about different 4 things. One is the version of the Android application 5 and the other is the version of the protocol, and they 2:45PM 6 are not the same thing. 7 Q Right. What I'm trying to get an 8 understanding from you on is whether Version 3 of 9 the YouTube Remote application would have used 10 Version 3 of the MDx protocol in January of 2012. 2:45PM 11 MR. HEFAZI: Objection, form. 12 THE WITNESS: Definitely not, because 13 Version 3 of the MDx protocol was developed later. 14 BY MR. SULLIVAN: 15 Q And you don't recall sitting here today 2:45PM 16 whether Version 3 of the YouTube Remote application 17 in January of 2012 used Version 1 or Version 2 of 18 the MDx protocol. Did I get that right? 19 A Correct. I don't recall. I'd have to look 20 in the code history. 2:46PM 21 Q Do you know what version of the YouTube 22 Remote application had Party Mode? 23 A I believe it was sometime around Version 2 24 of the YouTube Remote application. 25 Q When the YouTube Remote application with 2:46PM Page 29</p>
